

Universal Design for Learning Webinar Series

This series is designed to offer a video ‘dip’ into learning accompanied by an activity that will offer a ‘dive’ into content for each session. [State Support Team Region 12](#) is offering one contact hour for completion of the Activity and Reflection aligned to each session.

Options for your learning:

alone, with a partner, or with a team

video - with/without activity, with/without reflection

We know that each of you are at different stages of your knowledge of and implementation of UDL. You can watch all six sessions or choose the content you want to learn more about.
