

## Advanced Word Study-Teaching Morphology and Syllables

Word analysis instruction cannot stop after basic phonics is taught. This training is geared towards supporting intermediate and middle school teams support students decoding and encoding through syllable instruction. In this session, we will also explore morphemes, what it means to have morphological awareness, and how to create an interest in words that will captivate you and your students.

**Intended Audience:** Intermediate and middle school teams - (teams should be inclusive of an administrative leader, classroom teacher, intervention specialist, and reading specialist, if possible). It is strongly encouraged that teams purchase Morpheme Magic at <https://morphememagic.com/>
