

ALL IN ONE!

Special Education Directors, Secondary Transition & CTE Network

This combined virtual meeting will provide Special Education Directors with updated guidance and resources from the Ohio Department of Education. Directors will be provided opportunities to engage in discussion around current practices, requirements and challenges as part of the regional network.

Take a closer look at Secondary Transition and innovative student planning, including Career Technical Education. The purpose of this network is to explore ways entities can work together while improving outcomes for students as they transition from school into adulthood.

Time will be allotted to discuss needs of professional learning, regional collaboration, and unpacking updates from the Ohio Department of Education's State Systemic Improvement Plan (SSIP) surrounding graduation and students with disabilities. We will review updates from Opportunities for Ohioans with Disabilities, community partners, and explore evidence-based practices within secondary transition to promote student success.

Intended Audience:
Special Education
Directors, Employment
Navigators, Intervention
Specialists, School
Counselors, Building
Administrators, and
District Specialists who
work with students with
disabilities age 14 and
up through IEP planning
secondary transition
process

Virtual Registration

December 5, 2023

9:00 am - 3:00 pm

Sign in/Tech Check in: 8:45 am

Deadline: November 21, 2023
