

Combined Special Education Director & Preschool Supervisor Network

This in-person meeting will provide Special Education Directors and Preschool Supervisors with a legal update, updated guidance and resources from the Ohio Department of Education including grant opportunities for parent mentors. Directors and Supervisors will be provided opportunities to engage in discussions around current practices, requirements and challenges as part of the regional network.

Preschool Supervisors will receive preschool special education and Step Up to Quality updates along with other resources, information, and updates relevant to early childhood.
