State Support
Team

Michael Heggerty's Phonemic Awareness

This session will explore the research of Michael Heggerty on phonemic awareness. Additionally, it will explore the curriculum developed from that research for preschool-2nd grade teachers that provides guidance for the facilitation of daily explicit instruction.

These trainings are for principals and/or preschool supervisors who are interested in learning about the program, and preschool through 2nd grade teachers whose districts are committed to the work.

Manuals are not provided.

Participants should bring their own manuals.
