

Heggerty Phonemic Awareness

Phonemic Awareness Training will analyze the research of Michael Heggerty on Phonemic Awareness. Alisa VanHekken, Reading Specialist and Literacy Consultant for Dr. Heggerty, will explore the curriculum developed from that research for Preschool-2nd grade that provides a direct instructional approach to build phonemic awareness skills.

Intended Audience: Principals/preschool supervisors who are interested about the program, and Preschool through 2nd grade teachers whose districts are committed to the work.

It is strongly suggested that participants have the book for their grade level in order to participate.
