

SST Region 12

IEP Labs

Wanting to receive support on improving your Individualized Education Plan? The SST will again be offering IEP Labs this year.

Bring an IEP you are currently working on or looking to improve.

Questions? Contact georgia.pavlic@mvesc.org

This time is devoted to using tools, peers, and SST consultants to discuss issues you may be having and gain feedback on your plan to serve students with disabilities. During the professional learning, participants will work on their own record. SST consultants are prepared to provide support around Secondary Transition Planning, Present Levels, Goals, and Progress Monitoring.
