

# Low Incidence Network Meeting

1

The regional network is intended for teachers, providers and administrators supporting students with significant cognitive and low incidence disabilities.

2

Participants will become familiar with resources and tools used to ensure students with intensive needs have access to appropriate learning environments and educational programs.

3

Special educations directors, intervention specialists, and related service providers will be provided with state updates, opportunities to network with other special educators and use problem solving protocols to address challenges and barriers.

4
