PBIS is a framework, system, or approach for assisting school personnel in adopting and organizing evidence-based behavioral interventions into an integrated continuum that enhances academic and social behavior outcomes for all students.

This training is targeted to individuals from buildings or a district team with representatives from each building who will lead training for their district/school teams. (Preferably one lead per building).

If you are an INDEPENDENT district, please contact your ESC for PBIS Train the Trainer series information.

Please email any requests for provisions, services, or equipment per the American with Disabilities Act (ADA).
