

Secondary Transition & CTE Network Spring Meeting

Register:

www.sstregion12.org/

Date: March 3, 2023

Time: 9:00 am - 2:00 pm

Sign In: 8:30 am

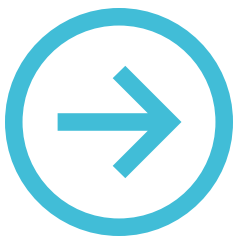

Deadline: February 24, 2023

SST Region 12 PL Center
60788 Southgate Rd Suite 201
Byesville OH 43723

Virtual Option for AM Only

Take a closer look at Secondary Transition and innovative student success planning, including Career Technical Education. The purpose of this network is to explore ways entities can work together while improving outcomes for students as they transition from school into adulthood. This time will be spent discussing needs of professional learning, regional collaboration, and unpacking updates from the Department of Education including graduation and students with disabilities, Opportunities for Ohioans with Disabilities, community partners, and explore evidence-based practices within secondary transition to promote student success.

The morning session of our in-person network meeting will be Secondary Transition & CTE updates and guest speakers from around the state. **A virtual option will be available for the AM portion only.** In the afternoon, join us at the SST for a work session as we explore secondary transition in the IEP and how the IEP supports post school outcomes.

Intended Audience: Special Education Directors, Employment Navigators, Intervention Specialists, Building Administrators, and district specialists who work with students with disabilities age 14 and up through IEP planning and secondary transition process.
